

SSEPL

SHREE SAI ERECTORS PVT. LTD.

ELEVATING STANDARDS, CONSTRUCTING LEGACY!

ABOUT US

Shree Sai Erectors Pvt. Ltd. (SSEPL) is a leading industrial construction company specializing in Turnkey Civil Works, Pre-Engineered Buildings (PEB), MEP Services, and a wide range of comprehensive industrial solutions.

With over 30 years of industry expertise and 15+ years as an incorporated entity, SSEPL has established a strong foothold in delivering high-quality, time-bound industrial projects across India.

Trusted by leading Indian and multinational corporations, SSEPL has become the preferred execution partner for MNCs, thanks to our deep understanding of industrial compliance, global standards, and client-centric delivery models.

PEOPLE & RESOURCES

Our team is our greatest asset. We operate from a strategically located office in Pune, equipped with modern amenities , serving as the central hub for efficient project management and coordination. Our experienced in-house team comprises skilled engineers, project managers, and support staff.

We also collaborate with trusted outsourced partners to ensure flexibility, scalability, and access to a diverse pool of skilled professionals. For each project, a dedicated project manager and a capable team are assigned to oversee all aspects, ensuring seamless execution, timely completion, and adherence to quality standards.

COMMITMENT TO QUALITY & SAFETY

Quality, safety, and compliance are paramount in all our operations. We adhere to stringent quality control measures, prioritize worker and site safety, and comply with all relevant regulations and industry standards. Regular audits by dedicated quality and safety teams maintain the highest standards throughout the construction process.

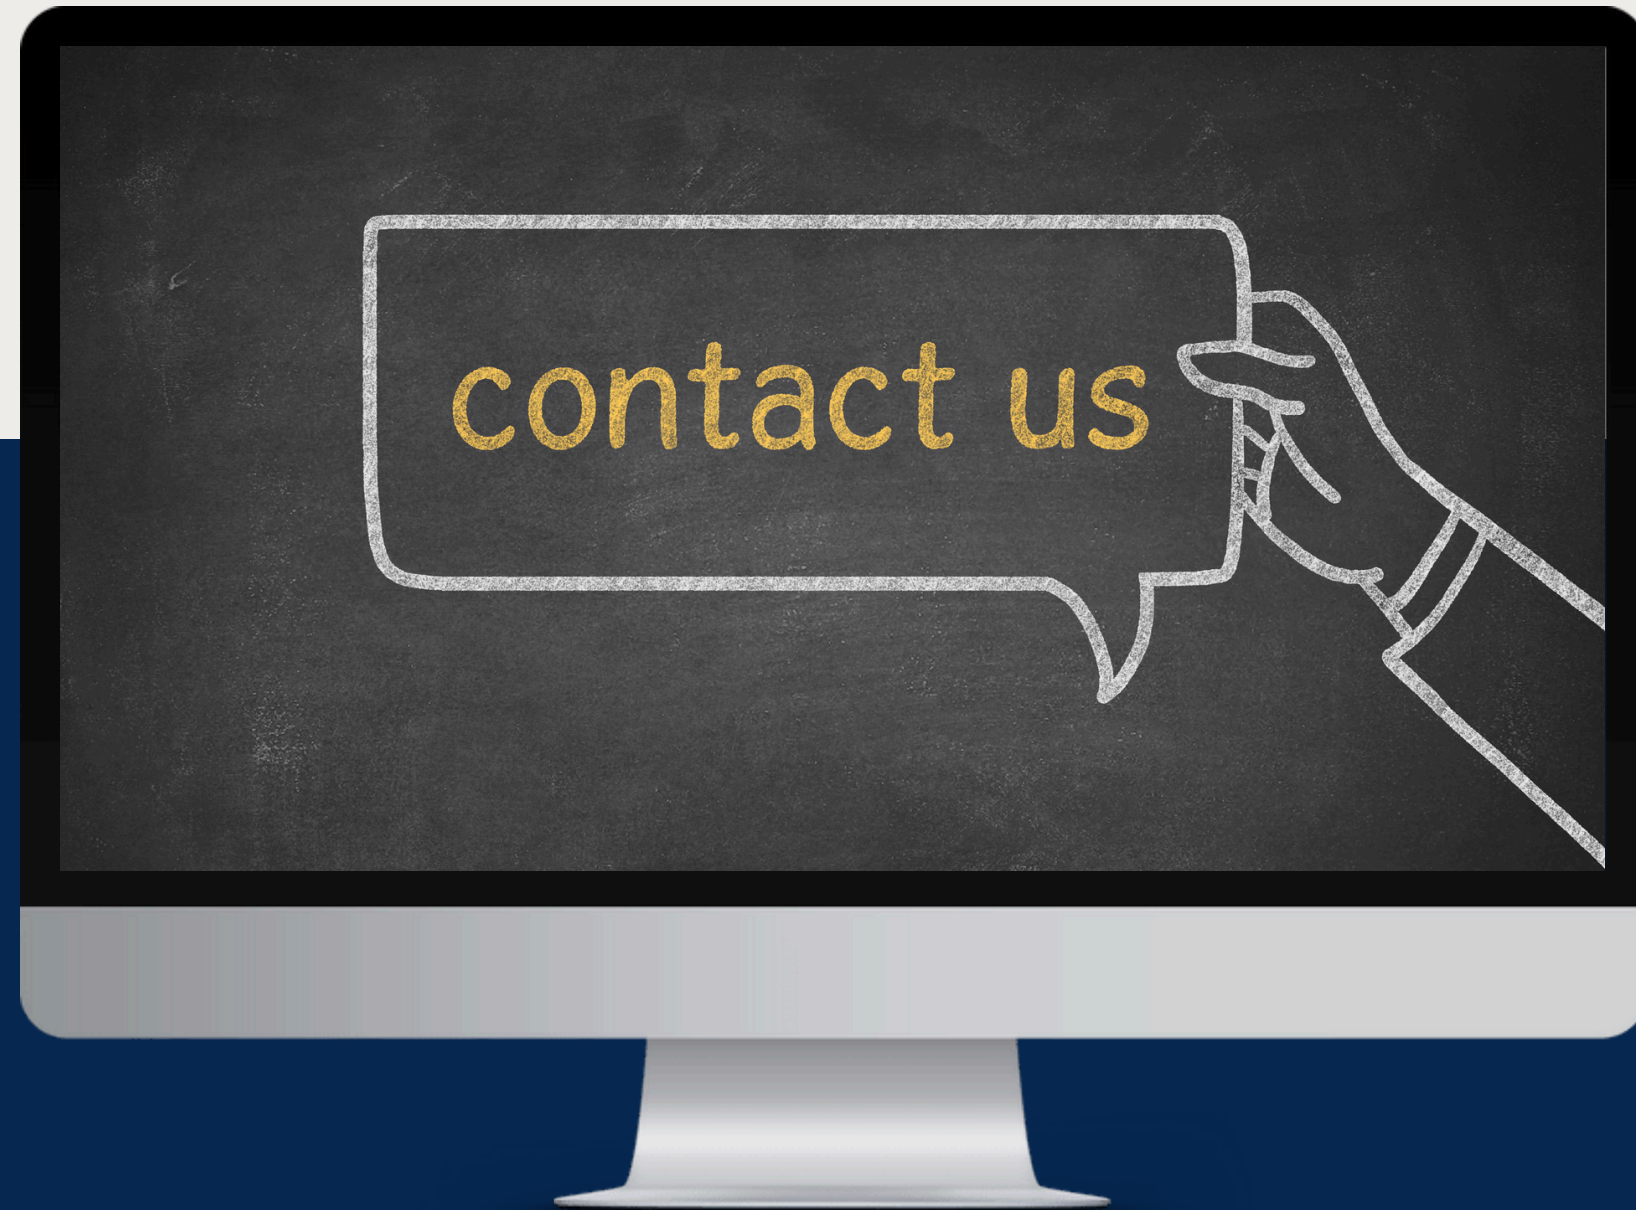

We sincerely appreciate your time in exploring our company profile.

Let's build the future, together.
